EXPERIENCE

Novus Neurons-Technical coordinator

Demonstrated adept leadership and technical prowess as the Technical Coordinator of my college's technical club. Pioneered innovative projects, fostering hands-on experience in problem-solving and teamwork. Transformed theoretical concepts into practical applications, showcasing an unwavering commitment to driving technological advancement.

Artificial Intelligence Student Association -Technical associate

This is our branch's official club. This club organizes various cultural and technical events in our college. This year I got selected as the technical associate of this club.
